“ Dawn and I have known each other since we were young. I always thought of Dawn as this little spitfire of a girl. I never had to worry about what was on her mind because she was direct and would let you know!! Lol!! Dawn was a sweet and kind lady. She was always kind to me. I saw Dawn a few years ago in my neighborhood. Her daughter moved into a house up the street from me and she and I talked for the longest time. It was good seeing her. She looked so good and I so enjoyed catching up on our lives.

My condolences go out to the family. I am so very sorry for your loss. RIP Dawn! I will miss you!

“ *Dawn and I were good friends from Junior High forward. I spent many nights at her home and she at mine. I loved her mom and dad as well. We always made a Chef Boy Pizza. The one out of the box and loved it. Dawn was a good person and had a great sense of humor and I loved her laugh and when she got really tickled. She was beautiful. I remember when I stayed with her we listened to the top 40 countdown on the radio and played with her dog Dottie! We loved to make Dottie howl. We navigated those tricky Junior High years together. Dawn will be missed by so many because anyone who knew her loved her.*
