“ I’ve known Dean and Vickie for over 20 years. Jeff and I country danced and shag danced with them. Dean was what I call a true gentleman. If Vickie danced with Jeff, Dean always asked me to dance. Dean will be sorely missed but never forgotten. I have many wonderful memories of fun times with both of them.

“ Dear Vickie, I am so sorry, for the loss of your husband. Until that day you can be reunited, I know there will be times when you feel him close by. His beautiful spirit is not far away. Families are forever. It doesn’t end at the grave. And this life is very short compared to eternity. Love, Jeanie Burdette Arritt

“ Vickie and Family. I have many fond school memories with Dean. He always had that beautiful smile on his face and made everyone feel as beautiful as he was (inside and out). We missed seeing him at the 60th SAHS Reunion gathering but we knew he and Vickie were probably dancing the night away somewhere in the US. My Love and Sympathy to each of you. Beth Hensley Lucas.

“ When I went to work at the Bleach plant when Olin took over, Dean literally took me under his wing and watched out for me. I got to meet Vicki and everybody took joy about Dean and her dancing. Didn't see or talk to Dean for 15 years but will miss him, grieve his loss, and admire him even though he is gone. May the Lord bring you peace, Vicki.

“ Dean was very special to me. He was my older first cousin who watched out for me like an older brother when we were growing up. So many great childhood memories we Miles cousins shared. Since I live in Texas and Dean lived in WV we have not seen each other very often over the years but it makes me very sad to know he is no longer with us. My prayers and condolences, Vicki.

“ We’ve known Vickie and been dear friends nearly all our lives and we’ve known Dean all of their married life. They were created for each other and loved each other intensely.

Our good memories of Dean are too numerous to list, but all of our memories reflect the kind, hardworking, fun-loving, generous and Christian man that he was. We shall always miss him and we look forward to good times when we see him again in Heaven.

Vickie, you remain in our hearts and prayers as always and forever. We love you, Darling Friend.

Vickie was a special friend to us for many years before God sent Dean into her life. When we met Dean one Sunday morning at Dunbar United Methodist Church, it was easy to see that God made the perfect match! Their love for each other and their caring and love for others was always evident. We have been blessed to have Dean & Vickie in our lives! We love you, Vickie, and ask God to surround you and your family with His peaceful presence during this time of sorrow!

Love & prayers,
