“ *Dee truly knew how to brighten my day up. I'll never forget a single one of our memories together. I'm so glad I got to grow up and learn around her.*

Every day I still think about her, every day I miss her.

It truly makes me sad that no one else has said anything, when I know there are plenty of people that cared about her and that she cared about. I'd like to hope no one has forgotten her. Lord knows I never could.

Rest easy sweetheart,r. :(
