“ Mom was an awesome person to be around. Some of my fondest memories were of all of us at the beach. She loves the sun as much as I did. She was always there when I needed her...to talk to, to cry to, and to love me like I was her own daughter. She was an angel to me and I will miss her smiling face and her "don't take no crap" attitude. God really got a great one this time. RIP mom!!! I loved you then and I will love you dearly forever!!
