“ *Deb was such a special person and I'm sure she will be sorely missed by many. I had the privilege to work with her for many years at CNG and then at Dominion. She was always so helpful and professional, but also funny, humble and very kind. Sending prayers of peace and healing for her family.*

“ *Debbie and I go waaay back to elementary school at Highlawn. We were in the same sorority at SAHS and had many fun times together. Her 442 is legendary; she was known to have a lead foot. Sadly, we had lost touch, her name was mentioned at our last '72 reunion. Condolences to her family, I'm sure she will be sorely missed.*
