“ *Delores , I love you so much I still don't believe that you are gone. I sit and think about how you was so sick and that you wanted to die . I would tell you stop saying that. Then you was feeling good and moving into your own place I was so happy for you. I hope you are rejoicing with the other sisters and Randy, mom and dad. We will meet again..*

Prayers for the family, it's needed desperately. A monarch of her family gone much too soon, sadly doesn't seem real yet
