

Deron Michael Chapman

August 26, 1972 - November 23, 2024

Deron Michael Chapman left us suddenly on Saturday, Nov 23, 2024.

He was preceded in death by his father, Michael “Mickey” Chapman and mother, Betty (Brumfield) Chapman.

Deron was a cherished member of the community and the Hurricane Church of Christ. He had a passion for all trucks and worked as Commercial Manager at Midway Ford.

He was a beacon of unwavering friendship, kindness, and has left an indelible mark on the hearts of all who were fortunate enough to know him. We invite all who cherished Deron to help us honor his enduring impact on our lives with a graveside service.

Leaving behind his wife of 22 years, April (Kirk) Chapman; daughters: Haylee and Karli Chapman, all of Milton; a brother: Jared and wife, Lindsey (Ford) Chapman; nephews: Ty, Cody, and Blake Chapman all of Hurricane; mother and father-in-law: Jay & Ida Freeman of Chapmanville, WV; several cousins and friends who have become family are too numerous to count.

Deron’s Graveside Service will be 12:00 noon Wednesday November 27, 2024 at Valley View Memorial Park Hurricane, WV.

In lieu of flowers, just pay it forward. When you see someone in need, help them. That's how Deron lived his life.

Anyone wishing to leave an online memory may do so by visiting his tribute page at: www.chapmanfuneralhomes.com.

Chapman Funeral Home 3941 Teays Valley Road Hurricane, WV 25526 is honored to again serve the Chapman family.

“ Today, I did not wave goodbye to a friend, no, I said thank you Deron for being a part of my best times, and good memories. More time has passed since he and I first met, than will pass before he and I meet again. So, with that I tip my hat and say: “Hold the door ole’ buddy, I’ll be seeing you again soon enough.”

“ I first met Darren many many years ago and his family first moved to the area. He and I shared an incredible love for Music. He was such a techie when it came to quality sound. He always had the top of the line music components and the first person that I ever knew that owned a CD player, we would listen to the tape version/cassette and then listen to the CD and was just blown away. He also helped Shane petite, myself, Joanne Irwin, and Mark Roberts run sound in my and our very first band. We called ourselves Legacy. We drew closer through high school , and in college, I cannot believe that he has left this world. I know he is with Jesus and I can't wait to reunite with him as we worship our king forever endeavor. I will cherish the mini memories and stories that we have made together my prayers are with , you April, the girls, Jared and his family

“ My sympathy goes out to Deron's family and friends. I went to school with Deron and he was such a great friend to everyone. He had such a great sense of humor that could pull you out of a bad mood or bad day. It's been many years since I've seen him, but I will always remember his kindness and humor. My heart goes out to his family and everyone that knew him.

“ If there was one thing I learned from my big brother it was he treated everyone with kindness and respect. He was the best friend anyone could ask for because he treated everyone like they were his best friend. Not one time did he ever say I can't it was always I'll be there in just a minute or did whatever he could to make things more convenient for everyone except him. I love and miss you so much buddy!

“ I like to pass on my prayers and condolences to the family. I've known Darren for many years, but recently we became business partners on many vehicles that he sold designed for his industrial & Commercial customers.

When I lost my son, Deron was one the first person's to give me a call He will be greatly missed as a person, father and friend ! If there is anything I can do for you and the family. Please do not hesitate to give me a call

I will pass on help to others in the memory Deron as requested

Sincerely, Tim Hudson, and the staff of Sights Sounds & Speed Inc
