“ *You couldn't ask for a better friend. I enjoyed being in his presence and seeing that smile on his face. He never looked down on anyone. Oh how he loved his family and was one of the hardest working people. He would do whatever it took to get a job done. The world is a little bit smaller now without him. I will remember him always.*

*Rest In Peace Dewayne. I have never forgotten the times we came to West Virginia and got on the 3 wheeler or when everyone came to Columbus. Even though it has been a lot of years since we last saw each other I have never forgotten the memories.

“ *Back in the mid 90's I worked, and was friends with his sweet wife Donna. My husband had passed away and my car broke down at work. Dwayne come over there and had my car fixed for me when I finished my shift. He was such a kind man and was good to everyone. I hope he knew how much I appreciated him. ❤️*
