“ *Diane was a very active member of the Legal Aid of West Virginia Board of Directors for many years. She was secretary of the Board at the time of her death. As a Board member, Diane worked nationally and within West Virginia, promoting the need for legal assistance to the low income community. Diane will be fondly remembered by the Board and staff of Legal Aid for her hard work, terrific sense of humor and a commitment to "balancing the scales of justice" for those without wealth. She will be missed!*
