

Diann Hunter Foster

December 9, 1938 - August 20, 2017

Diann Hunter Foster, born December 9, 1938 in Danville, WV.

After a long illness, Diann went home to be with the Lord on the night of August 20, 2017. She battled many illnesses to try and remain here with her family and friends, starting with a broken back, osteoporosis, diverticulitis, A-Fib and IBS. In her final year, she suffered many strokes, seizures, multiple comas, stomach surgery, broken hip, sepsis, failing kidneys and failing digestive system and she still endured more than what was imaginable (we are so very proud of her love and fighting spirit). The epitome of Diann was true unconditional love, she never met a stranger, she was always giving, her heart was made up of kindness and love! She was the most unselfish person we have ever met.

Diann was preceded in death by her mother, Elizabeth Phipps Alford; her father, Roscoe Hunter; her grandparents, Ethel and Wilburn Phipps.

Diann graduated from Scott High School in 1957 and furthered her education at Charleston School of Commerce, where upon obtaining employment at Union Carbide offices. Diann was a born again Christian and member of First Baptist Church of St. Albans. She loved the beach and her flowers. Youthful dreams were of being a ballet dancer. We will miss her so deeply with all of our heart. We love you Mom and soulmate wife. Meet you in heaven.

Surviving are her husband, Mark Foster; her son, Mark Alexander "Alex" Foster of St. Albans.

Funeral service will be held at 11am Thursday, August 24, 2017 at First Baptist Church of St. Albans with Dr. Ron Stoner officiating. Burial will be in the Danville Cemetery, Danville.

Visitation will be held one hour prior to the service.

“ You have been a wonderful friend since we were childhood playmates. Riding our bikes, having birthday parties, attending the Shrine Circus and then memorable band experiences in high school were all an important part of my life. You will be missed.

Warm hugs and beautiful memories to Mark and Alex. You took such good care of her. Allowing me to speak to her by phone even though she was in a coma was such a blessing and I thank you.
