“ *Just learned of Don's passing. Deepest sympathy to the family. He and Judy were great people. We worked with them in Boy Scouts. He was a positive influence on our boys in so many ways. Many great memories!*

“ *So sorry to hear this sad news and I didn't know earlier to attend the service. He was a wonderful scout leader. I often told Don that he had the best kids. Okey and I will miss seeing him.*

“ *Don (and Judy) were my classmates at school and church many years ago. We were friends whose fond memories have followed me over the years even after leaving WV. Don had a gentle nature and kind smile. My special memory - he sang at my wedding in 1977 - my husband and I enjoyed his beautiful voice and are still married 44 years later. My heartfelt condolences to his family. May he and Judy now be reunited in peace and forever happiness. With our sympathy and prayers, Debbie (Hudkins) And Greg Finnell*

“ *It is with a broken heart that I post this message. Don was one of the best men I have ever known in my life. He used to tease me and tell me I was the big sister he never had. He was so dear to me. He missed his Judy so much. He loved his family dearly especially his grandchildren. They gave him such joy. I can't imagine that we will never laugh together again on this earth but my friend I'll see you in glory. My sincere condolences to his lovely family. May God lift you up in your grief.*

“ *The love of Jesus and comfort and peace to Mark, Andy Rebekah and all family and friends. It was my honor to know your parents at Perrow Church. I was in the Praise Team when Don was the Worship Leader. I don't have the words to express what an honor that was. Don was a stellar example of a Christian leader and my time on the Team was such a blessing. We'll all reunite in Heaven. I remember you as much younger children. I praise Jesus for the time here and for the eternity to come. Love in Jesus's wonderful name. Susan Gallatin*

“ *Many years ago it was my honor to serve on the Perrow Presbyterian Deacon Board with Don and some other great guys. I remember Don as a talented musician with a great sense of humor and a lot of common sense. Don will be greatly missed by everyone that knew him. I know how painful it is to lose your father, but Don's children can take comfort in the fact that being absent from the body, he is now present with the Lord and with Judy.*
