“ *Pat--I used to live across the street in 714 Kasick in the 60's-70's. Chipper and I were always riding bikes or playing games together. I am so very sorry for your recent loss. My dad, Butch, wanted me to share his condolences as well. Please know that you and Chipper and your families are in my heart and prayers. Again, I'm so very sorry!*

“ *Dear Patty,
My deepest condolences to you and your family. It has been many years since I have seen you, but I think of you often. My mom, Sue Lewis, and I talk about you all the time. I remember the day you and Don were married, like it was yesterday... I had the privilege of being your flower girl! I don't know if you are aware of this but, I caught the garter! I was standing next to Billy with my hands in the air and it dropped onto my little finger! The photographer was standing next to Billy and made me give it to him! I hope you find comfort in sharing your memories of him, and know that he will live on in your heart forever. My love and prayers to you all.*

“ *I did not realize that Mr. Freeman and I shared the same birthdate day. But I've known Chipper for eons and wish to say I'm sorry for your loss. Much blessings to the family in this time of need. ~ Vicky (Boggs) Westfall*
