“ *I recall Don as a thoughtful, kind, and generous neighbor during my early years growing up in St. Albans. He showed me how a neighbor should be and was always ready to lend a hand to those in need. I learned much about life from our leisurely hours of talking and from the work he often gave me. I am better for knowing him and certain many others are as well. I will never forget him for his kind and encouraging words which helped shape my life's path. He was not only my neighbor but a friend and mentor. My family and I are thinking of your family during this time of sorrow.*
