“ *Brenda and family my thoughts and prayers are with you. I was so sorry to hear that Don had passed. Don and Kenney were always my favorites at PB&S. Don always had a smile and was always joking. I know many times he was in pain, but he didn't fail to joke with me and the kids. He will be missed!*

“ *Don and I served in the National Guard together at the St. Albans Armory and because we both lived close were always the first two called when something was wrong. I have many good memories of the years we served together and I am proud to call him my friend. He will be missed by all who loved and knew him.*
