“ Love you paw paw think about you every single day. I wouldn't be the man I am today if it wasn't for you. You saw the good in me when I couldn't see it in myself. You helped me, without question. I thank you and love you forever. Until we meet again your grandson... Dustin Jeffrey Miller

“ I remember growing up in Eleanor and Donnie and Corky would chaparone activities with the young people of the church, First Baptist.. I so enjoyed both of your parents and I appreciate the influence they had on my early life. I will always remember the fun times we had with Dymple Cockrell, Judy Shank and my sister, Ellen Fisher.

“ Jeff & Greg, I am so sorry to read about your Dad's passing. I have so many fond and happy memories of your Dad along with your Mom. They were a large part of my church life growing up. Your Dad was so much fun to be around and was always such a kidder. Every Easter when I hear or read about sunrise services I always think about the ones we had at the church along with the pancake breakfasts your Dad would fix. I'm sorry that I cannot be at the funeral as we now live in North Carolina but I will be thinking about both of you and your families.

“ Jeff and Greg, I am so sorry for your loss. It was always a pleasure being around your dad. I was very fortunate to have been around him for so many years while we were playing sports, and then getting to be around him again when our kids were playing baseball at Hurricane. I know how hard it can be but just remember all of the good times.

“ So sorry to learn of Don's passing. He was such a good man. We had so many good memories with your Mom and Dad. One of my favorites was when we all (at a Parkersburg baseball game) were thrown out of the game. We were in the stand at that.
