“ I will never forget all the childhood years my cousin Donna and her Siblings spent with me on our Grandpa & Grandma Moore's farm. Every Sunday all the family met there when we were growing up after church where everyone brought a dish and enjoyed dinner and the kids all played outside. Will always remember the Easter Egg Hunts especially and all the fun times with my cousins. You guys know me and know I would definitely be here at the calling hours and funeral if I were able to attend. I had a life-threatening illness myself a couple of years ago, leaving me pretty much homebound for the last 2 years. My spine is deteriorated also which doesn't help me walk either on top of all my illnesses. Please accept my heartfelt Deepest Sympathies on your loss and know my heart is breaking too. I was shocked to hear this alarming news. You will always be in my thoughts & prayers and know that I will always carry my dear cousin Donna's memory in my heart and all the good times we shared growing up. I love you all and wish I could be there for you. I know how much she adored Alex and you Loren and would love to be there to give you a big hug. Please don't forget me and mom and come to Ohio sometime to visit. You will always be my family. I love you all.
