“ She was beautiful inside and out❤️ I will always remember the wonderful times we had. Her testimony for God reached so many and continues to do so. I loved her so much. One sweet day we will be together again and I can't wait for that day!!

“ I had a bond with this lady the day I walked through the doors at North Charleston Baptist Church. She had a way of making me feel special, and I saw first hand how much she walked the walk. She had reason to complain, but she didn't like to whine. I saw a lady who loved people, her church, her husband, family, and her dog, Ace. She is missed by this pastor's wife! She is missed in that office, she is missed at NCBC. But, she would say, it's not about me...It's about my JESUS. I know I will see Donna again. That gives me peace. Until then we remember you in our hearts. Prayers and much love to the family.
