“ Hi Kathy, I have had your mother on my mind for years. I am Debbie Spurlock Wilson. Donna was our baby sitter for many years (until she married your dad). She came to live with us when she was 16. Our mother was a single working mother trying to raise my brother (Dinky) and me. I can't explain what she meant to our family.....she was like a second mother to me. I love this picture of her, she was a beautiful lady inside and out....

“ So sorry to hear about this! Great Aunt Donna was always such a wonderful person. Unfortunately we were not told of her passing.

“ Donna was such a laughing caring person. She came to my barn so many times to see Kualua, Moriah and Molly, Donna always brought apples and carrots to all the horses in the barn. Her laughter was beautiful to hear We had not talk over the years, but her memories and her love of animals and people will always be in my heart. When Kathy Kesling called to tell me, we both said what a loving and welcoming person Donna had been to us.
