“ *Keat was like a 2nd dad to me and the Johnson family was like a second family to me growing up on Hansford Street. My Dad and Keat were very close friends and shared some of life's best memories together especially traveling back and forth to Morgantown for WVU football / basketball.*

He will be sorely missed!!! I apologize for the late post but wanted everyone to know that the Johnson's were a huge part of my life and Keat will always be remembered.

“ *I am so sorry to hear of Uncle Keith's passing, but I know that he is with Aunt Gloria and all of our others loved ones that have been called home. I loved Uncle Keith very much. He was always so kind and thoughtful to others. The fun times that we all used to have going camping, picnics and family reunions will never be forgotten. My love and prayers are with you all. I love you.*
