“ *Jennings, we are so sorry to learn of Doris' passing. We too feel your loss. As you may remember, Doris is one of the first persons I met when I started to work at Carbide in 1960. She was very helpful to me and I will always remember her wonderful witty sense of humor and thoughtfulness. Marlyn and I deeply regret that we will be unable to attend the visitation and funeral tomorrow. Please know that you are in our thoughts and we will always remember Doris*
