“ It was my privilege to know and spend time with Doris and Bob at
Sunrise UMC. One Spring, we offered the second half of Disciple
Bible study and no one signed up. The Hunters indicated they
wished to finish the study they had started and asked if just the
three of us could finish it together. We met every Wednesday
evening for several weeks and we pondered, talked and laughed
with our hearts and souls. Their friendship meant so much to Jan
and me! Rob and Jan

“ One of my favorite memories of Aunt Doris was her wonderful laughter. Spending weeks over the summer, reaching the high mark of being taller than her, and her comforting hugs. Be at peace.

“ I knew Doris for years thru SunRise church family. She was a part of our WOW bible study for years. She was a great mentor to us all. She always brought around any holiday her decorative pretzels with melted chocolate and an M&M in the middle for a snack. I carried on her tradition for years after she moved back closer to family!

“ Doris always decorated the outside of her and Bob's home for seasons and holidays. My grandchildren loved seeing her home and told their friends that they needed to see their neighbors house - the Hunters house. She was a loving, creative and faithful friend. May she rest in peace.
