“ Scott, Though there have been many years and miles between us we've never forgot the years of friendship we had. When loss comes it can be difficult, but we know it's not the end. Christ told his disciples that he was going to prepare a place for them and that there would be many mansions. We can rest assured that your mom has a special place in heaven. You and your family are in our thoughts and in our prayers in this time of need.

“ *I didn't know Doris extremely well, but I know she was like a second mother to my mother when she was a kid & was there for her in a lot of ways. I also grew up with her son Mike's family basically being extended family. Hope you all know we love you & you're in our thoughts & prayers!*

“ *To my brothers...Mike, Scott and Dana....and to all the family. I could never begin to tell you how much I loved your mom and all the sweet wonderful memories of her from when we were growing up. I called her my "other mother" because that's truly what she was....another mother. I can still hear her sweet voice and will always cherish each and every memory I have of her. She was a wonderful woman and is now wrapped in the arms of our Lord and Savior!! Always remember myself and my family are here for you and love you all. RIP Other Mother <3*

“ *Doris has been my neighbor for 28 years. I could not have had a better neighbor or friend. She was friends with my mother in high school. I am thankful to have had her in my life. She always said I was her adopted daughter. She loved my daughter and spent many days with her when she was young. I love you Doris and will miss you.*

*Your friend and neighbor, Peggy.*
