“ Daddy Don, I am SO sorry we have lost Mama Dot. I remember you both so fondly. I know we are 300 miles away (Mom is with us now for two years), but if there is anything we can do for you let us know. We love you! Virginia Neptune and Rosalea are probably showing her the ropes right now! Prayers for you all.

“ I am so very sad to see this and Drew and I will be in prayer for the Samples family. Dot was one of the most kind, loving and giving members of our church. We were privileged to know her and raised our kids side by side with her grandchildren. When the kids went away for school Dot always made an effort to ask about them and ALWAYS welcomed them home when they returned to St. John. I know Dot has left this earth a better place. We pray for comfort, peace and the abundance of beautiful memories. God is with you all.

“ I never thought of Dot and Donnie as being older than me when I was working with Don. It was years later when I realized Kevin wasn't much younger than myself. They were a joy to know. I'll never forget the way she giggled. I think I enjoyed seeing her love notes she packed in Donnie's lunch as much as Don did reading them. Never has God placed two people together that became "one" than when he joined Dot and Donnie. She will be truly missed
