“ *Phil and Darlene,  
My most sincere condolences to you and your family. Your mom handled 3 rambunctious boys in a quiet and sure way. I don't think there was anything she couldn't do- sewing , cooking -Managing a family and a business. She was nice enough to share her apple cake recipe - which the 3 of us have thanked her for every fall for 50 (!) years. She has so many loving family to greet her at those Pearly Gates. God bless her and comfort each of you. Sincerely,  
Kitty C. Sandy*

“ In my days of going to Winfield HS, I became a brother to the Geyer boys. We did everything together. One of the reasons that I felt so close to these guys was the way I was treated like the other son by their mother, who we all called "Momma Geyer".  
The wit, humor and love in her heart when i visited would pit my soul at ease just like my own mother would  
I am sure her laid back style went a long way in raising three great sons who were all the same yet totally different in some ways. I consider myself to be blessed and fortunate to have known and loved such a special lady.  
Rest In Peace Momma Geyer. I will see you again some day.

“ *My precious Grandmaw. Words can't describe how much I love her, nor how much pain I feel for her loss. She is in heaven now with my Grandpaw, my Dad, and all her other loved ones that have gone on to be with Jesus before her. Grandmaw I love you and I can't tell you how much Vivian, Nolan, Amber, and I will miss you. You were a huge part of our lives, and you will be deeply missed.*
