“ *Debbie, Linda called me this me this morning about your mom. I have so many memories of the three of us in all of our homes. I always felt welcomed in yours and your mom was very kind to me on my trips back. We sure had a lot of great fun, didn't we? I am keeping you and Brock in my prayers and I send love and hugs for your healing. I hope to see you sometime soon. May you find God's peace.*
