“ *Dustin I miss u so much. Every time I drive past your house I think of you and all the talks we had. You were such a good man and helped me many times when I had nobody else to turn to. I wish I could go back n time n make sure this didn't happen to u. But God needed u as one of his angels for a reason. As much as it hurts he needed you at this n life more then we did. I love you Dustin and will never forget you. Fly high angel.*

“I had Dustin as a 6th grade student at Ashton Elementary. I remember him inviting me to attend church with him and his grandparents at Mt. Union Methodist Church. I went with him one Sunday, and I think he might have attended my church, Teays Valley Baptist, with me in return. His grandpa Kidd told me once that he told Dustin that he just might get rid of the 4-wheeler. Perhaps Dustin was wrecking the thing too much. Dustin told him, "Now let's not get carried away now." The other thing I remember, my wife had to remind me, was that he got stuck/locked in the restroom on the tour bus on our Washington, D.C. trip. We were on our way home and thought, "Oh just leave him in there. We will get him out when we get to the school." I don't remember how or when we got him out, but he got out.
