“ *I hate so much to hear of Edith's passing. Many years ago, I worked with Edith and Joe when we worked in South Charleston with the telephone company. We became close friends at work and she was a wonderful person. I have many good memories of Edith and our workgroup. I also remember meeting you girls at that time and seeing you all occasionally through the years. I am sorry that I will be unable to attend the service but my thoughts and prayers are with you all.*
