“ *Am very sorry to hear of Ed's passing. One of my favorite memories of traveling were with him. I was a young chainsaw instructor in my first year with the State and he and I were traversing the entire state doing saw safety programs. Needless to say one snowy afternoon I was driving my company PU truck down Rt. 219 at maybe a not so posted speed. Ed was riding shotgun when the state trooper passed in the other direction. Ed said don't worry this forestry uniform usually works! And to my joy it did! He was calm, cool and collected, learned a ton from him over the years. Rick Bryan*

“ *Sandy & Family, Penny and I are so sorry for your loss. I will miss seeing Ed at the greenhouse during your fundraising pickups. He is a great guy and will be missed. I enjoyed his way of telling a story... He is a good role model and was very dedicated to 4-H. Please know that we are thinking of you.*

“ I was so sorry to hear of Ed's passing. Over my years working with the Division of Forestry I looked upon Ed as a mentor, his quiet and reflective ways were a trait we could all hope to emulate and I know his family was quite proud of his unassuming confidence and abundance of common sense., sadly there aren't many men of his stature left in this world. May the Lord bless you, keep you, and hold you close during this time and always. With deepest sympathy. Art Yagel

“ So sorry for your loss.I live in Walkersville and went to school with Ed and Jim.
You could not find any better people than the Murriner family of Knowls Creek. We rode the bus of George Bennett,bus driver to the Walkersville School. Those were sure the good old days. When I got on facebook it sugested friends and I found Ed on there,so glad I did. Prayers for all of the family from a old school mate from Walkersville.

“ Sandy and family,
I will miss Ed greatly. He was the forester in Marshall County when I was growing up. I met him when I was 9 years old and he helped me in 4-H and with forestry projects. Our lives would cross paths many times as I got older. We met up again at Forest Industries and WV State Conservation Camp. When I started working for the WV Division of forestry he was the Assistant State forester over the program I was responsible for. He always encouraged me to be better than I thought I could. We had many long conversations. God Bless him and you all.

“ *Sandy and family,*

My heart is broken with the news that my dear and old friend has passed. Ed and I have been friends since forestry school back in the 60's. We got to see each other for the past 40 years at Forest Industries Camp for kids each year. This past year at camp, we spent treasured time together talking. I think we both knew that it might be our last. Sandy, I have always valued Ed and your friendship. Ed was indeed a very special man and friend. He was like an old shoe. I will miss him tremendously.

*With My Love,
Carl*
