“ *I will remember Elijah as the strongest little one I have met for in many, many years. Ciara and Dominique, your strength was inspirational during this difficult time. I am so sorry for your loss. Please know that you and Elijah have inspired so many of us in the PICU and that we will think of you all often. Take gentle care of yourselves through your grief.*

Eli and family,  
I can somewhat understand your pain therefore my heart breaks for each one of you. Every person grieves in their own way so I will keep you in my thoughts and prayers. I believe you guys are a closes knot family and will have to lean on each other to survive this. Bless big brothers heart. I hope he can understand to some degree of what happened.  
There are no words to comfort you but the love and support I've seen on FB hopefully will bring some comfort. R.I.P I LOVE YOU ALL
