“ I have so many special memories of Emma and our friendship back in the days before either were married. We spent most every weekend at Rock Lake Pool in the summer, then dances at the Mound and at The Record Hop TV show. She loved to dance and was so good at it. We left WV with the Army and years later we met again and joined friendships with husband's and kids in Michigan. Such a nice family and we had such fun for several years until they got homesick for WV and moved back. We only saw each a few times in later years when we made it back to WV, but 50 year friendships you could get on the phone and never miss a beat. Guys, your parents loved you and each other. What a legacy to leave you.

Sorry to hear of the loss of two the most wonderful people we know. Emma, Jimmy, Roy and I used to dance together at the Nitro Moose and Pam's Nefty 50s in South Charleston. Our last dance was at the Record Hop Reunion in 2006. Our thoughts and prayers are with the family and friends. Emma now dances without pain and they will dance together forever. These two will be remembered for the rest of my life. I've never had more fun with two people than these two. That goes from high school to the present. Absolutely just good times. God will be pleased when they arrive home. God bless the family also.
