“ She always made me laugh saying that she was the baby until I came along. Double first cousins have a special bond.
I know she is with our sisters and brothers now.

Love to all of her family,

“ She always had a smile, and was one of dad's closest friends as well as cousins. She made me want to play piano, although I have two left thumbs. She will be forever missed.

A beautiful lady inside and out, with a fierce love for God and her family...she was one in a million! Forever grateful that I was loved by her. No one could make me laugh like Emma!
