“ *I am so very sorry to hear of Ervene's passing. My parents (Marietta and Cleon Woodall) bought our home in Eleanor from Ervene and Clayton back in the mid 1950's. I was only 7 years old, at the time, but they were both very gracious to our entire family. Ervene always treated my sisters, Patty, Dottie and myself, as her own children. She made us feel very special. I loved to visit her because she would show her beautiful flower garden to me, naming each flower and would sit down and chat with me, as a child. She always had time to chat. We all thought so much of her.*

On behalf of my sisters, Patty Woodall Berthold and Dottie Woodall Johns, we wish to share our heartfelt condolences to the entire family. Ervene will be missed but will always remain dear in our hearts! Ella Jean Woodall Stover - Lewis Center, Ohio

“ *I am so sorry to read the news about Erlene's death. I had been concerned the past 6 weeks or so because I had not seen her, but did not know how to contact the family to find out. (I was even considering knocking on doors down the street because I could not remember which house Diane lives in.) Erlene was one of the first people I met when I moved to Eleanor 12 years ago. I became better acquainted with her when she moved next door to me in Northwoods for a while. I would walk next door and we would sit on the porch and talk. Every visit ended with a walk around the yard to look at all her flowers. My Dad visited me occasionally and once gave Erlene some daffodil bulbs to plant in her yard. Every time I saw her after that, she never failed to ask how my Dad was doing. After she moved back down to Cedar Hills, I continued to visit. I wish I had stopped by more often the last 2 years but my work schedule made it more difficult. My condolences to Joe & Becky (you may recall meeting me a couple of times when you stopped by Erlene's house) and to the rest of the Crockett family. My condolences also to Diane--I know you were a very special friend to her. I will always cherish my memories of sitting on the front porch with Erlene.*

“ My Aunt Ervene was always good to our family. She and my Uncle Clayon treated me,.Mike and Beckie like we were their children! I still have the Alice In Wonderland watch given to me for Christmas one year. I also have two beautiful dolls that they bought me from The Diamond Department Store. I couldn't say Ervene when I was little so I called her "E-nene!" She made me a stuffed doll and it became my own "E-nene." She was aways making little stuffed animals for us. I have given so many of them to my grandchildren. I will continue to share my memories of Aunt Ervene with them. She taught me to love flower gardens, antique furniture, jewelry and shoes! I will never forget her and always love her. I know that she is at peace now and is with my Uncle Clayton. I know he is happy to have her in his arms again. I love you so much E-nene. I will miss you. Your loving niece, Sandra Carr Neely
