“ Our first summer living at Red House and my son drove his 4 wheeler into their pond, She brought him home dripping wet. The next day Jack had to get the tractor and pull it out. After that she and Jack became friends of our family. We will miss looking at their lights at Christmas. What little time we knew her she was such a sweet women. She would put all of us to shame working in her yard and garden among the many other things she did. We will miss her. Wayne, Carol and Preston

“ *I first met Deanie at Liberty Elementary, we worked together for several years. I sang in a gospel group for years and anytime we were singing at any church on the hill she would invite all of us to come to eat and we always did. She and Jack were so welcoming. She was a very special person, loved her sense of humor and how she would get so tickled her laughter was contagious. Prayers for all of you. Sharon Meadows*
