“ Having just received the information regarding Evelyn's passing, I apologize to my good friend Clark about the email address confusion. Back around 2000, when I was visiting family in WVa, I stopped by to visit Clark and Evelyn in Putnam County. They were most gracious with their hospitality, insisting I stay over for the night, which I did. Evelyn was a wonderful woman, and I enjoyed hearing about her background and work. They were such a loving couple, and always were according to Clark. I wish him well as he continues his life with beautiful memories of their relationship. Paul Lanyi

“ Evelyn, I thank you for the great memories of fun & laughter we had together on the trips we took, and the wonderful Saturday evenings we had together playing dominos with other friends. These memories of our times will be with me forever. Thanks

“ Evelyn was a wonderful friend to Nancy and me. She was upbeat, vivacious, optimistic, inspiring. Her cooking was a highlight of any potluck she attended and her brownies were superb. It is an understatement to say that she will be terribly missed.
