“ *Jan and Scott and the rest of the family,*

Sorry we could not get back to West Virginia to be in attendance for the memorial service. My memories of Evelyn and Lee Warner are those of wonderful parents who took the time to get to know all and enjoy all of Jan's friends in high school and church youth group. They were a blessing to me and so many in the Hurricane Forrest Burdette church family. Know that my thoughts and prayers are with your family during these next few weeks.

*With prayers,
