“ *I have many memories of this beautiful lady. My favorite is her laughter and and sweet voice. There was something about the way she said someone's name that made them feel special.*

Kathy and I were probably in 4th grade and I was spending the night. It was getting late and Faye knocked on the bedroom door. I thought she was going to tell us to go to sleep. Instead she said " I made some hotdog chili come downstairs and have a hotdog" The three of stayed up.late talking in the kitchen. Something so simple made a kids day and a lifetime memory.
