“ *My Dear Sistar (Sis- Star) Banks. I speak as if you were still here because I know your sprit shines upon us as if in body you were still here. I thank you for your colorful words of wisdom you gave me when I was brought into the P.H.O.E.S Family. I thank you for help guiding me toward the light that so many before me, such as your self paved the way. I will always remember and appreciate you for sharing that first table with me and laughing through it all (even tho folks didn't know what we were laughing at they wanted to but as you said " Don't tell em nothing let em guess"). I thank you for teaching me what it truly means to be F.A.T.A.L. To The family I send to my deepest condolence for I know there are no words that could ever ease the feeling you have at this time but know this Heaven has acquired the BEST and my Sistar Banks is simply the best.*

*With Deepest Sympathy
