“ *Frances and I had many good times together. She loved to "eat out" and so do I so we did that many times. We, along with Sue Orrison, had a wonderful car trip to the New England states and shared many laughs along the way. The three of us also took a wonderful cruise a few years later. I'll miss you Frances, but the memory of your friendship will always be a part of me. I know you're going to enjoy those "streets of gold" I love you.*
