“ *Ann was one of the best friend a person could want. Her and James are together and I just know they are so happy together in heaven You both will be in my heart as long as there is a beat. May you RIP and know that one day I plan on joining you and playing bingo together again. It might not be KY but we will pretend it is. Love you both.*

“ *Ann was such a strong wonderful woman and will be missed by many. She was an anchor to the family and I don't know of her ever turning anyone away for food, shelter, or advice. I loved playing bingo with her and being able to just talk to her. RIP and will see you again some day.* ”
