“ Sweet Uncle JuneBug...although we didn't see each other often, when we did, I always knew I would get a sincere, strong hug, a huge toothy smile and a deep, husky belly laugh from you. You were always the first one up at the Ranch to get your "never-ending" coffee going...a ritual I will always remember and cherish. Those were the days...
Rest in peace, God's precious child. With fond, loving memories, Kay Smith

“ Harold was always so kind and such a hard worker. I loved his sense of humor and to see the twinkle in his eye and his grin when he said something funny. As much as we will all miss him, I take comfort he is not suffering now. Love to all his family.

“ Today we lay to rest my childhood hero. My uncle “June Bug” . Jr was one of the strongest most carrying people I ever met. He battled cancer years longer than the Drs gave him any chance of surviving; but now that fight is over. Please send good thoughts and wishes as we remember Harold and he embarks on his next journey.

“ Words can't express how thankful I am for this man! He has always been the strongest, and hard working man I know. I am so happy he is whole again and with our Heavenly Father. Uncle Junebug is in Heaven and not going to slow down anytime soon. The last few years have been so hard on him and I know he is rejoicing and so happy! He loved us all in his own way and that's what made him so unique! Until we meet again Uncle Bug! I love you!
