“ *Dear Family of Frank Two Horse Belcher. We are sorry not to be able to make it in person to the funeral. Basil had a cat scan today, and I know you can understand. We were blessed to see Frank at the Galipolis Pow Wow. Frank was our friend our brother and a warrior for the cause. We always stood by and with him for strength and support when things got tough. And things were tough for the Belcher family, but no matter what heartaches they suffered, you could always count on a joke to try and make you feel better, totally unselfish and caring. The world was better with Frank in it. Basil and I loved and respected his friendship so much, with all our heart. There's a poem for all who's hearts are breaking Do not stand at my grave and weep, I am not there I do not sleep I am a thousand winds that blow I am the diamond glints on snow I am the sunlight on ripened grain I am the gentle Autumn rain When you awaken in the mornings hush I am the swift uplifting rush Of quiet birds in circled flight I am the soft stars that shine at nite Do not stand by my grave and cry I am not there I did not die. Frank once told me to look at the clouds in the sky. I know now I will always see his smile and hear his laugh. God he will be so missed Basil and Maggie*

“ *Hold on to what is good even if it is a handful of earth.*

Hold on to what you believe even if it is a tree which stands by itself.

Hold on to what you must do even if it is a long way from here.

Hold on to life even when it is easier letting go.

Hold on to my hand even when I have gone away from you.

Rest in peace Buck,

Love Mike, Claire, & Family

“ *Buck, or Uncle Buck as we called him, was my great uncle. He will be sadly missed by the friends and family he touched by his crazy outspoken comedian like personality and character. The jokes is what I will remember most about Buck. Until we meet again old timer we love you always, missed and never forgotten!!!!*
