“ Where do I begin uncle Frankie? You carried me into the house as a newborn for the 1st time. You always addressed me by anything other than my name, mostly it was "Mercedes". You gave me my first CB handle "twinkle toes". You helped me write my Seventh grade Christmas song which of course to no ones surprise I made an A . The times the band was set up and you guys were playing your hearts out, while all of us kids were running and playing all red faced and sweaty making memories of our own with your music playing in the back ground. I think mostly I will remember you for your positivity even in the adversity you were facing recently. I know you are with Dad now and that brings me great comfort. So rest high for now until our chain links up again save a spot for me. Love you always and you will never be far from my thoughts.

*Love you affectionately and Faithfully
Your very own " Mercedes".

“ Frank (Frankie to so many of us at LBC) will be so missed by our church family. He was such a wonderful Christian. His love for the Lord shown on his face and through his actions. His shouts of "Praise the Lord" and "Preach it Brother" would bring tears to my eyes for I knew the Spirit of Jesus was in the sanctuary. Frankie, I know you are in the Presence of the Lord and there is shouting in heaven today. I am thankful to have known you. You were the epitome of a true Christian, my brother. I look forward to the day I see you again.

“ Frank was a wonderful man who will be truly missed at the Lighthouse Baptist Church. Frank and some other wonderful men use to play the guitar with the piano when we sang songs. Every now and then the pastor would say something during the service and Frank would have to shout out Praise the Lord. We will miss him and I know we will still hear him shout out in Heaven. I will miss him not sitting in front of me and standing by him to make sure he didn't fall. He will be missed by us all at the Lighthouse Baptist Church. Truly a precious man. But one day I will see him and all of my precious family and church family and friends that put their faith and trust in our Heavenly Father. Tara Thompson Hicks

“ I remember sitting around the fire telling stories. Those were good times. The first time I came to WV, the snow was hip deep. You brought Gilbert to Tudors. That is the way I remember you.

“ I can't put into words what Frankie's life meant to me. Since I was a baby. I loved it when he sang Precious Lord Take My Hand. And so the Lord has taken Frankie's hand and led him on home. All my tears are selfish ones. There is no place he'd rather be than with his Lord. Someday, you'll sing for me again. Til we meet again, my love goes with you. Sherry

“ I had known him for years but when I became Director of the John Henson Senior Center he was the first person I would go to for special events for the center and Putnam County Senior Annual Picnics . Frankie always came through and he was our favorite. God Blessed him and those he was with.
