“ *My second Momma. I'm not totally sure how to express how I feel. I've known Momma Fields for many, many years. Not even sure how many times I spent the night at Momma's house. I do know I was always treated like family! Loved my second momma very much and will miss her like crazy! RIP Momma!*

“ *Freda was like a second mom to me and my sister. Feeding us, trashing her house and she never was mad. She's a great lady. After I was married, she had my son in daycare. It was so nice to know I could feel ok with Freda being there to care for him. My prayers are with the whole family. Love you guys. Sarah Hardman Bowman*

“ *So thankful for the years of memories shared with Freda. A very special lady who loved....her kids (all of them, even from other mothers and those with fur), family, and friends. What a blessing you kids were to her and her to you. Praying for God's comfort on all of you!*
