“ I know that Peanut is in no more pain or suffering, but I'm so sorry to hear of his passing. The world only had one PEANUT !! No matter where he was he would always talk to you and have that smile that would light up a room. His humor would make you laugh so hard, I don't think he knew how funny he really was. It took me years to know that he had a first name that wasn't Peanut!! That was what I grew up calling him, so I thought that was his first name. Ruby, you had a good man a one of a kind. I have lots of memories of him and Ruby. My Prayers are with Ruby and the Family as they say goodbye. Fly High Peanut Fly High !!
