“ I got to know George better when my mom and dad moved back to Teays Valley and he would come to the house to visit. I enjoyed watching him pick at my dad and them go back and forth. He loved my dad and dad loved him. I got to appreciate the sweet sweet man George was when I took him to Sedona when he came to visit Arizona. Oh my gosh, It was Christmas, birthday and Thanksgiving all rolled into one GIANT thrill for George. He had never seen anything like that and was so excited by it. He thanked me for months. All I ever knew of George was that he was a very kind, gentle and caring soul. May God bless him in heaven for all of his kind and gentle ways,

“ I got to know George through the Putnam County Republican Club. I had the honor of being his Vice President when he served as President. We worked a lot together to improve living conditions in Putnam County. I really got to know George and found him to be a very nice gentle Christian who it was a pleasure to be around. May George R.I.P with his Lord.
