“ *Uncle Glen was one of our favorite people in the whole world. Visiting Glen and Peggy always meant welcome, acceptance, lots of good food and an abundance of laughter. I'm not sure I've ever laughed as much as when in their company. He will be truly missed by me and my family.*

“ *My favorite memory of Glen: I was working on the super-sized Dr. Denton style baby pj's costume for the Career Builders campaign. Everyone convinced Glen to be the model for the costume (pink flannel print, baby bonnet, bib and a huge pink pacifier). Glen was a good sport. Good people and will be truly missed. Sending peace and love to the family.*
