“ *Every day, when I was coming or going, I would see your Dad and ask him how he was doing, about cars, fishing, hunting, and he was always willing to help me out. My girls absolutely loved your Dad, and would ask every time he was in the garage to "Go see Glenn", even on the last day. And my dogs will miss the milk bones for sure. I am truly sorry for your loss. He was a very good man.*

“ *My Deepest Sympathy. It's so difficult to lose a father, friend you love ever so dearly, and I am so sorry you are going through that. I am sure there are many precious memories that come to mind, and sharing them with family and friends can really help to keep him deep within your heart. But for those times when you may become overwhelmed, when you are alone in your thoughts, when you are sad, hurting or in tears, you can lean on God for help, because God really cares for you. God made this wonderful promise at Isaiah 41:10: "Do not be afraid, for I am with you. Do not be anxious, for I am your God. I will fortify you, yes, I will help you, I will really hold on to you with my right hand of righteousness." How comforting to know that God really cares for you, that God promises to be there for you, to strengthen you, to help you, to hold on to you with his right hand, right when you need him, to carry you until you can stand on your own. Please lean on God, because it really, really helps. I sincerely hope you find these words comforting and they give you the strength and courage you need to make it through this very difficult time.*
