“ Kim, Stacey and Sean,

I am so sad to learn of the passing of your Mom. I first met your Mom at the Willis home when I was a child. I first met each of you when you were babies and your Mom brought you to visit your grandparents. Fast forward to the 80s and we were neighbors on South Washington Street. Your Mom spent a New Year's Eve at our house in the mid 80s. We had a great time. Your Mom was ways such a lovely lady, inside and outside.

No matter what, we can never be ready to lose a parent. May all of your wonderful memories of your Mom bring you much comfort as you move forward.

Our most sincere condolences to you and your family.
