“ *I am so saddened to hear of the passing of Glenna. I met her in the early 70's, and was friends with her for several years after meeting her. Teke flew Glenna & I to the beach one April weekend, and we had such a great time together and laughed all the way home when Teke picked us up recalling to him that we were trying to lay out in the sun in 50 some degree weather and a cold ocean breeze. Glenna had a heart of gold and a perpetual smile on her face. I am honored to have known her and been her friend. I am praying for her family and friends. Pam Cochran*
