“ *Patty and family,
I have known Glenva for many years and she was a great friend. I worked with Glenva for several years at A. W. Cox Dept store. One of the best employees a manager could ask for and we had great respect for each other. We all know that some day that we have to give up all the earthly things and move on to a better place that has been prepared for us. She will be greatly missed by all her friends and family. The family will be in my prayers during this time of loss.
